HIGH SCHOOL MUSICAL - JANUARY 11 - 13, 2008

The Musical Theater Center brings Disney Channel's smash hit to life on stage! High School Musical is a story of two high school juniors from rival cliques: Troy Bolton, captain of the basketball team, and Gabriella Montez, a shy transfer student who excels in math and science. Together, they try out for the lead parts in their high school musical, and as a result, divide the school. Despite other students' attempts to thwart their dreams, Troy and Gabriella resist peer pressure and rivalry, inspiring others along the way not to "stick with the status quo."

About MTC and Our Cast Members

The Musical Theater Center (MTC) is one of the region's most respected performing arts educational organizations and the only one in the region with a focus on the musical theater genre. We are extremely proud of the high standards we set for our musical productions and our classes, which are reflected in the caliber of our talented cast members. Many of them have been on stage in various area productions starting as young as age 5. They study dance, voice, and acting at MTC and other studios.

MTC students have a reputation for professionalism. Their talents are often in demand for professional theater and community productions. Some have performed on Broadway and with national touring companies, at the Kennedy Center, Ford's Theatre, Olney Theatre Center for the Arts, Toby's Dinner Theatre, and other area theater companies.
