Musical Theater Center is one of the leading performing arts education organizations for young people in the metropolitan Washington area. Based in Rockville, Maryland, the Center offers performance-based training in programs in the musical theater disciplines of voice, acting, dance, and related theater arts. Offerings include: year-round classes in Rockville and Olney, a season of fully-staged musical productions, summer camps, student performing ensembles, and community outreach programs. Information about MTC is available at www.musicaltheatercenter.org.
